

InState Campus Ambassadors Brief

The Roles and Responsibilities

- Representing inState amongst societies at your respective universities.
- Liaising with inState members, university students and university societies to advertise inState opportunities and events.
- Organising mentees and mentors at your respective university.
- Working closely with other Campus Ambassadors across the UK.
- Acting in a communicative role on behalf of University Liaison Coordinators to reach members/students/societies at your university. This will include regular meetings with a member of the Liaison Coordinator team.
- Familiarisation and understanding of our mission and values to act in an educative role to students/societies at your university

Role requirements:

- Having attended a state-school (including grammar schools) throughout your academic journey.
- A commitment to social mobility initiatives.
- An appetite for a corporate profession.
- Outstanding communication skills and the ability to network well.
- Good Teamwork skills.
